

VISHING RESOURCES:

Here are some great links for websites and apps when dealing with suspicious or malicious incoming phone calls on your smartphone. Please spend some time becoming familiar with them, and bookmarking them for future reference.

- Please keep in mind that your personal telecommunications provider will probably have an app that you can install to block Smishing and Vishing calls e.g. T-Mobile Scam Shield, AT&T Call Protect, Verizon Call Filter etc
- <https://www.nomorobo.com/>
 - Highly rated app that will block all telemarketing/robocalls from coming to your phone
- <https://www.robokiller.com/>
 - The RoboKiller app will block all telemarketing/robocalls from coming in, even if they have spoofed their Caller ID
- <https://www.truecaller.com/>
 - TrueCaller will allow you to do reverse lookups of incoming phone number
- <https://hiya.com/>
 - The Hiya app will warn you when you receive malicious Vishing calls, and/or when the Caller ID is spoofed
